

***FIRST MEETING
(within 7 days)
BETWEEN THE RESOURCE
FAMILY
and BIRTH FAMILY***

Goal and objectives to be met before reunification can occur and the ways that the resource family and birth family will work together to achieve those goals:

What does the birth family want the resource family to know about the child?

What does the resource family want the birth family to know about their lives and their parenting approach?

During what circumstances is the resource family going to call the birth family for information sharing/advice?
